From 1 day old to over 100 years old, everyone counts on the 2020 census form.

Ensure Miami-Dade gets its share of federal funds and fair representation in Congress.
As trusted voices in our community, please help us educate parents and guardians about 2020 Census. The census serves as the basis for distributing $675 billion in federal assistance to early education and health programs, including Head Start and Early Head Start, school meal programs, Medicaid, special education grants and other health care assistance programs.

How can you help? Spread the word that the census is important, confidential and easy to answer.
Download materials at unitedwaymiami.org/2020census. and share them with your clients, networks and neighbors. You can help families feel safe and informed, so that everyone is counted on April 1, 2020, to help ensure our children, families, programs and community receive the resources we need.

It’s important: The census helps determine where to build new schools, hospitals and businesses, the distribution of federal dollars and how seats in Congress are apportioned.

It’s confidential: Responses are protected by federal law. No law enforcement agency can access or use a respondent’s personal information.*

It’s easy: In March 2020, households will receive an invitation from the Census Bureau by mail. For the first time ever, households will be able to respond online. Those who prefer, can respond by phone or by mail. Visit www.2020census.gov to learn more and to respond on behalf of your household on April 1, 2020.
