United Way of Miami-Dade

THE WORLD HAS CHANGED OUR NEEDS HAVE NOT

Our community is facing more and more uncertainty. There are new struggles and challenges. But for many, these are not new. They've been there all along. Even before the current crisis:

54%
of Miami-Dade households were either in poverty or one emergency away from falling into poverty.

1 in 7
Miami-Dade seniors had to choose between rent, food or medication.

20%
of Miami-Dade children went to bed hungry.

1 in 5
youth (ages 13-17) in Miami-Dade needed mental health services.

All information from the 2018 United Way Community Impact results and the 2018 United Way ALICE Report do not incorporate COVID-19 pandemic data. Additional data from Feeding South Florida Map the Meal Gap 2018 and the 2018 Professional Research Consultants, Inc. Child & Adolescent Health Needs Assessment.

Your gift is critical. Support the programs that bring lasting change to our community.

Early education and after-school programs that so many working parents rely on.

Programs that empower individuals and families with financial tools they need to keep a roof over their heads and food on the table.

Initiatives that allow veterans to re-acclimate to civilian life and assure a productive future.

Programs the elderly count on for health services, including home care and a hot meal.

Now more than ever, United Way of Miami-Dade needs you. Support the education, financial stability and health of every person in our community. We can get through this together.

GIVE. ADVOCATE. VOLUNTEER.
