**United Way Miami**

United Way Miami is a driving force in the community, successfully responding to emerging needs and transforming people’s lives. Since 1924, we have worked together with our network of donors, volunteers, and partners, to generate and amplify resources, and advocate for policies that improve the quality of life for all. We leverage our unique role as convener, strategic funder, service provider, awareness builder, and influencer so that everyone in Miami-Dade has access to quality education and the opportunity to lead healthy and financially secure lives -- the building blocks of a thriving community.
