

HOW IT WORKS

The program finances student tuition costs and additional support services at zero upfront cost to student

Training partners deliver high-quality coding and programming training that places students in better paying jobs

Graduates repay the costs of their training, paying it forward into a fund to support future students in Miami

“ I love 4Geeks Academy’s approach to teaching students. There are always at least three tutors who will make sure you master your skills and will not give up on you if there’s something you don’t understand. They never leave my questions unanswered, regardless of how obvious they may seem...and the atmosphere in the school is very warm. I’m grateful to you guys for providing 24 hour access to school, so we can work any time that is convenient for us. Thank you, 4Geeks!!! ”

About United Way Miami

United Way Miami is a driving force in the community, successfully responding to emerging needs and transforming people’s lives. Since 1924, we have worked together with our network of donors, volunteers, and partners, to generate and amplify resources, and advocate for policies that improve the quality of life for all. We leverage our unique role as convener, strategic funder, service provider, awareness builder, and influencer so that everyone in Miami-Dade has access to quality education and the opportunity to lead healthy and financially secure lives – the building blocks of a thriving community.
