

TAKE CONTROL OF YOUR FUTURE. LEARN A NEW SKILL.

Receive high-quality
coding training with
no upfront costs

United Way Miami has launched the **United Way Miami Workforce Project** offering you education and training to help you shape your personal goals. It's designed to empower you by giving you life-changing economic mobility while securing wages to improve you and your family's financial situation.

If you qualify for the Workforce Project*, all upfront costs of training are waived, so you can focus on your future. Best of all, we offer in-person and remote plans and both part-time and full-time enrollment options. So, you have the flexibility to meet the demands of your schedule.

Take advantage of this program to learn new skills and embark on your new career. The opportunity is waiting for you. To find out more scan the QR code or visit:

In partnership with

* Not everyone will be eligible. Check for qualifications and requirements on the program website.

HOW IT WORKS

The program finances student tuition costs and additional support services at zero upfront cost to student

Training partners deliver high-quality coding and programming training that places students in better paying jobs

Graduates repay the costs of their training, paying it forward into a fund to support future students in Miami
