What EFNEP does
The University of Florida (UF) Institute of Food and Agricultural Sciences (IFAS) Extension Expanded Food and Nutrition Education Program (EFNEP) is funded by the United States Department of Agriculture (USDA) National Institute of Food and Agriculture (NIFA) and is aimed at helping low-income families and youth acquire the knowledge, skills, attitudes, and changed behaviors necessary to improve their diets. EFNEP provides research-based, interactive education free to eligible participants and empower participants to adopt healthy lifestyle practices. EFNEP also uses a community-based, relationship-driven approach to partner with local leaders and strengthen available support systems to enhance participants’ success.
