

# UNITED WAY MIAMI 2022 Thanksgiving Drive

# Host a Thanksgiving Drive

Thanksgiving is usually a time for friends and family to gather around the table, feast on a hearty meal, share stories, and be thankful. For some of our neighbors, this is a difficult time of the year – a feast is not possible, and this yearly celebration can become a burden.

Join us as we kick off this holiday season with our Thanksgiving Drive! By sponsoring a meal kit, you can help our families prepare for their very own holiday traditions with a Thanksgiving dinner. With your support, our goal is to reach over 1,000 low-income families a part of early care, education programs, and partnering community agencies throughout Miami-Dade County.

## COLLECT THE FOLLOWING ITEMS TO COMPLETE A FAMILY'S FEAST:

With your help, we can meet our goal of feeding over, 1,000 families. You can aim to collect an even number of the following items in any box or reusable bag.\*
