

Your gift changes lives.

How we're building a stronger Miami, together.

This past year, your gifts, leveraged with grants, government funding, in-kind donations, volunteer time and United Way Miami resources, delivered:

More than \$80 million in total direct economic impact on Miami-Dade.

Education

Early childhood care and education training in best practices for nearly **900 professionals** – **4,300+ hours** for learning

Early childhood care and education for more than **5,800 young children**

Literacy and math support for nearly **4,500 students**

Financial Stability

Credit coaching led to average **credit score increases of 38 points**

Financial coaching and assistance for more than **145,000 families**

Job training and placement for more than **6,300 individuals**

Health

Nutritious food totaling more than **1.6 million prepared meals** for older adults

No-cost care that gave family-member caregivers more than **155,000 hours of respite**

Physical and mental health care access for nearly **22,700 individuals**

Accountability that exceeds or meets best practices to earn **4 out of 4 stars** from Charity Navigator.

Your gift changes lives.

Nearly 500,000* households in Miami-Dade are either in poverty or one emergency away.

ALICE (Asset Limited, Income Constrained, Employed) are hardworking members of the community who are employed yet can't keep up with the rising cost of living.

A sick child, a broken air conditioner, a reduction in work hours – any one of these could be financially devastating. These households have at least one working family member, but are barely making ends meet. These are the individuals and families that most of your gifts help.
