UNITED IS THE WAY

UNITED WAY Miami

Established in 1924, United Way Miami is one of South Florida's most influential and trusted organizations and the region's largest private nonprofit funder of **Health & Wellbeing**, **Education**, **Resilient Communities** and **Economic Mobility** initiatives.

We generate $100M+ in community impact through direct services, grants to nonprofits, matching gifts, advocacy, collaborations, partnerships and volunteerism. Your unrestricted gift goes further with United Way Miami, generating more than twice its value in direct community impact.

A BLUEPRINT FOR IMPACT

We developed a roadmap to guide our work, align our efforts, set community impact goals and measure outcomes through 2031.

H HEALTH AND WELLBEING

GOAL #1: BY 2031, 25,000 RESIDENTS WILL GAIN ACCESS TO PREVENTIVE HEALTHCARE

Goal #2: Increase mental health utilization

Goal #3: Help older adults age in place with access to home- and community-based services

E EDUCATION

GOAL #1: BY 2031, PROVIDE HIGH-QUALITY PROFESSIONAL DEVELOPMENT TO 2,500 EARLY CHILDHOOD PRACTITIONERS

Goal #2: Help preschoolers and students through third grade build foundational skills

Goal #3: Promote positive parent-child relationships and increased family engagement

Goal #4: Ensure on time, successful school transitions

R RESILIENT COMMUNITIES

GOAL: FLEXIBILITY TO RESPOND TO URGENT NEEDS, CRISES AND COMMUNITY-WIDE ISSUES

Disaster response at home:
Official partner of Miami-Dade County managing volunteers and donations during emergencies

Disaster response abroad:
Ex.: Critical relief sent to those affected by the earthquakes in Colombia and Venezuela in 2026

Community-wide issues:
Ex.: Collaboration with Zero Drownings, a drowning prevention program

E ECONOMIC MOBILITY

GOAL #1: BY 2031, SUPPORT 5,000 INDIVIDUALS IN SECURING EMPLOYMENT IN STABLE AND RESILIENT JOBS

Goal #2: Empower individuals with tools to achieve long-term financial stability and build wealth

Goal #3: Eliminate housing barriers and increase access to affordable housing

Accountability that exceeds or meets best practices to earn 4 out of 4 stars from Charity Navigator.

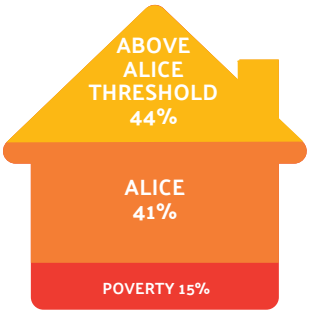
WHO WE SERVE

ALL ABOUT ALICE

ALICE (Asset Limited, Income Constrained, Employed) are hardworking members of the community who are employed yet can't keep up with the rising cost of living. ALICE households have **grown by over 40,000 in just two years**, meaning more families than ever are turning to United Way Miami for help.

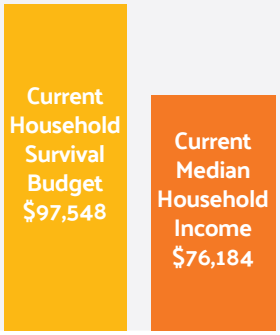
TODAY, 564,000* HOUSEHOLDS IN MIAMI-DADE ARE EITHER IN POVERTY OR ONE EMERGENCY AWAY FROM FINANCIAL CRISIS.

Miami-Dade Households 2026



56% OF MIAMI-DADE COUNTY HOUSEHOLDS ARE BELOW THE ALICE THRESHOLD

2026 Household Survival Budget vs. Miami-Dade County Median Household Income



MIAMI-DADE COUNTY

Location	Total Households	% ALICE & Poverty

Coral Gables	18,941	33%
South Miami	11,765	60%
Leisure City	8,113	71%
Sweetwater	6,261	69%
Naranja	4,638	65%

Join us in making a lasting impact–because United is the Way

By 2031, United Way Miami's goals aim to expand access to healthcare, strengthen early education, connect more residents to stable careers and improve financial stability for working families. As needs continue to evolve, the organization will leverage its Blueprint for Impact to align investments, partnerships, advocacy and direct services around a shared vision for stronger families, greater opportunity and lasting impact.
